ELBA, ALABAMA, THURSDAY, APRIL 20, 1967

NUMBER 39

Elba Native Survives New Orleans Fire

"In my own, weak way, I prayed to be calm," he explains. "It's still in my mind I might have helped them, but I didn't hear anything."

The attending physicians say his foresight is a lesson in behavior for anyone facing serious danger. Farris is under treatment for a badly burned left hand and his left ear and cheek are burned, as well as his chin and lower portion of right cheek. He was asleep at the time of the crash.

Farris travels for Wyeth Laboratories and his automobile, parked near the crash, was demolished.

Mr. and Mrs. Farris have two daughters, Salita Ann, a student at LSU, and Synthia Lynn, age 15, who still in the shower of the room. I entered first, I didn't hear them. All Academy.

SENATOR RAY
LALLEY SPEAKS OUT
ON GAS TAX MONEY

Senator Ray Lolley says his fight in the Senate is to "keep the small counties from being run over" in the matter of a \$160 million road bond issue and in the re-distribution of existing gasoline tax revenues.

The bill which passed the House and now being considered by the Senate will be studied carefully before it is passed, Senator Lolley believes.

"We have shown much progress under the present equal allotment of gasoline tax money," Senator Lolley said, "and I am reluctant to see any appreciable change in the method."

NOTE BURNING at the First Baptist Church last Sunday looked like this with Mr. Allred, Mr. Taylor, Reverend George Ricker, Montgomery, guest speaker; City School Superintendent Elmer Taylor lighting the torch to the note being held by Mr. C. O. Allred. Others taking part in the service were: Reverend Murray Soy, Mr. Harold Hudson and Reverend Charles Graham, the current pastor of the Elba Dadeville, former pastor of the church; Carlton Larkins, Mrs. C. E. Dorsey, Sr.; First Baptist Church.

4-H Beef Calf Show Planned For Friday

Seventeen Coffee County 4-H Club boys and girls will show twenty-four steers in the 30th Annual Coffee County 4-H Club Beef Calf Show Friday night, April 21, in Enterprise. The show will be held at the Little League Field, located back of the Enterprise Recreation Center, beginning at 7:00 P.M. The Enterprise Chamber of Commerce, under the leadership of President Bob Ellis and Chamber Manager O. I. Cunningham, is sponsoring this county-wide 4-H annual event.

"The purpose of the Beef Calf feeding projects and show," Extension Farm Agent Dan Presley pointed out, "is to give Coffee County young people an opportunity to develop an appreciation for good cattle and to gain expert knowledge on growing, feeding and showing cattle."

Legion To Hold Special Meeting

There will be a special call meeting of the local post of the American Legion tonight (Thursday) at 7 o'clock. The meeting will be held at the office of Veterans Affairs, according to Post Commander Maxwell Reeves.

Reeves has urged all members to attend this important business meeting.

Enterprise To Dedicate Jr. College

Sunday, April 30, has been set as dedication day at Enterprise State Junior College.

Fred Taylor, chairman of the Enterprise Chamber of Commerce committee, and B. A. Forrester, president of the junior college, announced this week that the formal ceremony would be held at 2:30 P.M. in the school's new health and physical education building.

Governor Lurleen B. Wallace will deliver the principal address.

Dr. Ernest Stone, state superintendent of education, also will have a part in the program.

Four buildings, which now serve a student body of approximately 600, will be dedicated.

JAKE BAILEY is shown receiving a \$25 Savings Bond from General Motors for outstanding sales in the recently Bonanza sales campaign of Chevrolet. Presenting the check is Cook Chevrolet Sales Manager Eugene Marler.

Marler said "We are happy that a member of our sales force won this award and very proud that our new dealership is represented in this way."

LITTLE MISS ELBA was selected in activities last Thursday night and winning right to wear the crown for the coming year was Lynn Hudson, daughter of Mr. and Mrs. Lamar Vaughan. First runner-up was Lynn Hudson, daughter of Mr. and Mrs. Harold Hudson and the second runner-up was Stella Hornsby, daughter of Mr. and Mrs. Jimmy Hornsby.

The event is sponsored by the Elba Lions Club and Little Miss Elba will represent Elba at the Peanut Festival in Dothan this fall.

The selection of Miss Elba and Junior Miss Elba will be made in the fall, at the regular time. The Little Miss contest will continue to be held during the spring to prevent the long hours of sitting when all three are held at the same time.

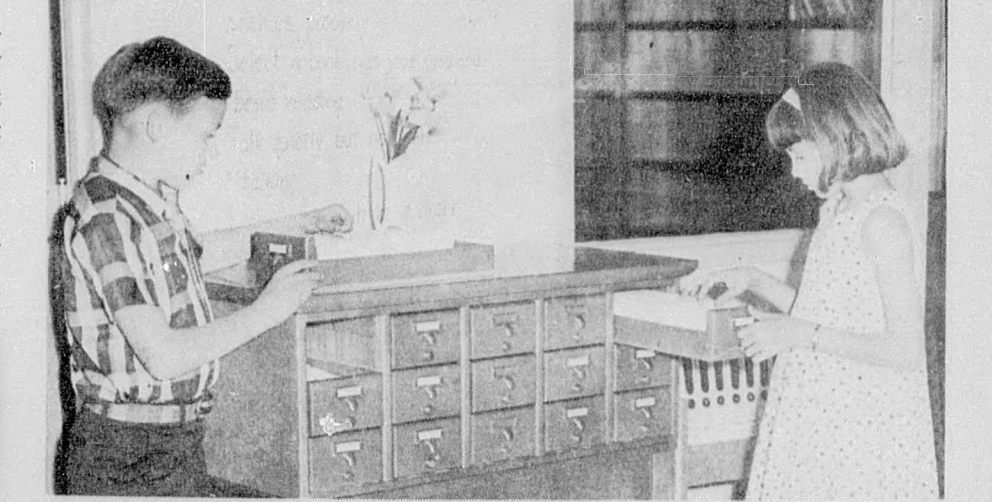

Talent Show To Feature Rock-ettes

THE ROCK-ETTES, an organized performing group of students from the Dorothy Rainer Sallars Studio of Dancing, will perform at the Variety Talent Show on Friday, April 21st, at 7:30 P.M. in the Elba School Auditorium.

The group was formed to provide realistic performing experience for students and to contribute to worthwhile civic endeavors in the South Alabama - Northwest Florida area.

The 1966-67 Rock-ettes are: from Opp, Pam Huggins, Jan McCall, Margaret Dunn, from Kinston, Susan Nobles; from Florala, Karen Gibson, Judith Talbot, and Dele Moore; from Laurel Hill, Lanada Davis; from Crestview, Debbie and Mary Charles Blue; from DeFuniak Springs, Judy and Laurie Porter; from Andalusia, Karen Anderson. They will dance to a medley of familiar tunes.

The Talent Show is sponsored by the Elba Band Boosters and the talent committee promises to provide good and varied talent from local and neighboring communities.

NATIONAL LIBRARY WEEK was observed throughout the nation this week and these scenes from the Elba Elementary School library are typical of many schools, large and small. Librarian, Mrs. James Williams reports that she has each class in the library once a week; the primary grades for story hour and the older students for library instruction and checking out books. The school has added about 1,000 books this year at a cost of \$500. Part of these funds came from federal matching funds. The books are selected by the librarian from lists submitted by the teachers. All purchases are from recommended lists furnished the schools by the state office.

The upper picture shows James Atcock, son of Mr. and Mrs. James A. Atcock, and Joyce Ziglar, daughter of Mr. and Mrs. Owen Ziglar using the card file to find a book they want. All students are trained in use of the card file. (Today is also Joyce's birthday)

The lower photo shows Kathy Bowers, daughter of Mr. and Mrs. Durine Bowers and Dianne Kidd, daughter of Mr. and Mrs. Cecil Kidd, checking in books that other students have returned to the library. Kathy and Dianne check in books each morning for 15 minutes before school starts.

Jus' Ramblin'

By
LUCILE K.
WOODHAM
McRAE

IT IS MY OPINION that Lucile Wallace, Alabama's first woman governor, is also Alabama's unhappiest woman. Certainly she does not have that happy appearance she had during the campaign and actually she looks downright angry most of the time. And I don't think it is the weight of the governor's office that is the cause of it, either.

I HAVE NEVER wanted to work in the yard and garden as much as I do this Spring. And I have slipped away from the office to get a few plants in the ground. Now I spend what time I can slipping away water. I have had good help with the family pitching in to get about five acres set out in red and silver maple, magnolia, holly, dogwood, camellia and azaleas, palms and several different fruit trees. And added to that we have put out a number of pines. We have all kinds of plans to further make the grounds pretty including a windmill and water. But it will take time and will be several years before making much of a show. But we're getting it all started and have confidence that it will be pretty in time. We will not make our winding trails until the plants we have put out make a better show. It may never add up to what we expect but at any rate I'm enjoying planning and thinking about it. Right now the vision looks good.

THE CLOVER ON the side of the highway is beginning to look pretty and colorful. I always remember what the grandchildren said to me last year about the blooms on the clover when they asked, "Grammama, let's stop and pick some of those strawberries". Every since that time the clover

ON THE SPRING we get sweet and really make flower

Society Educating Public

With its 1967 April educational and fund-raising Crusade, the American Cancer Society is in the second year of a five-year intensified educational program to "save more lives from cancer now." The program focuses on the detection and control of six of the most common sites of cancer -- uterine, breast, colon and rectum, oral, lung and skin -- which account for over 60 per cent of all cancer cases diagnosed and more than 48 per cent of all cancer deaths.

Joe H. Bruce, Crusade Chairman of the Coffee County Unit of the American Cancer Society, believes that "by marshaling the talents of the general public during the Crusade, many lives can be saved from cancer."

"Emphasis on control of cancer at these six sites, now under intensified and broadened attack," he said, "offers great opportunities for the saving of lives now -- through prevention or early diagnosis and treatment."

By 1970 the Society hopes to:

... Persuade at least 75 per cent of all women over 21 to have Pap tests, which could drastically reduce deaths from uterine cancer which now number about 14,000 a year. Uterine cancer can usually be detected at a stage when it is almost 100 per cent curable, and it can often be prevented.

... Have proctoscopic examinations included in the annual health checkups of 30 per cent of the general public over 40 years of age. In 1967, cancer of the colon and rectum will strike about 75,000, and about 44,000 will die. Yet, a proctoscopic examination can enable the physician to detect this disease in an early stage.

... Persuade 50 per cent of all women to practice breast self-examination and see a doctor once a year. This would save

many of the 27,000 women who now die of breast cancer.

... Reduce cigarette smoking among teen-agers by 50 per cent, and among the general public by 25 per cent, thus bringing about a marked decrease in the 52,000 deaths from lung cancer each year.

... Disseminate wider information about skin cancer which now takes the lives of about 5,000 persons each year. Most are caused by over-exposure to direct sunlight.

... Initiate oral cancer detection programs by 50 per cent of the medical and dental profession, thus greatly reducing the estimated 7,000 deaths annually from this disease. Some oral cancer could be prevented by correcting conditions which might develop into cancer.

New officers of the Bogardus S. Catrina Chapter, Association of the U. S. Army, will be announced and installed at a general membership meeting April 27 in the Fort Rucker Field House.

Another highlight of the meeting will be a concert by the newly organized Fort Rucker Warrant Officer Candidate Chorus and by the 96th U. S. Army Band, directed by Chief Warrant Officer-4 E. K. Hoch.

The WOC Chorus, under the direction of Specialist 4 Randy Holmes of the Army Band, is composed of students in helicopter flight training, and its membership constantly changes as students graduate. Coordinators for the chorus are WOCs Donald Klotz and Charles Schenk.

Among songs to be sung by the Chorus will be "The Winged Soldier," a tribute to warrant officer helicopter pilots.

Festivities on April 27 will begin with a social hour at 6:30 P.M., followed by a seated dinner at 7:30 P.M. Tickets will be on sale next week at Chambers of Commerce in surrounding towns and at major units at Fort Rucker.

TWO GREAT NEW BOOKS WITH A SEARCHING LOOK AT RELIGION TODAY

THE GODLESS CHRISTIANS - 295 An informative discussion of one of the most startling developments in contemporary Christian thought. The interviews with the more lively personalities include such as Billy Graham, Dr. Thomas Merton, Dr. Richard Roberg, James A. P. and Dr. Robert M. Coates, and often opposing views.

ANATOMY OF THE MINISTRY - 295 An intimate look into the lives of the minister today. Whether the label be Pastor, Reverend, Preacher, Brother, Chaplain, this is no exclusive study of ministerial life. It is a candid and often revealing look at the life of the minister.

THE GODLESS CHRISTIANS - 123 Sunburst St., N.E., Atlanta, GA 30313

HOUSEHOLD HINT
Our household hint this week comes from Mrs. George Wallace of the Kinston Homemakers Club. Mrs. Wallace recommends using muffin tins for serving food to a sick patient. This way the food does not spill. The patient can place the beverage glass in the muffin tin.

EXTENSION HOMEMAKERS CLUBS

Extension Homemakers Clubs are having a program on Consumer Education with emphasis on "How to Buy Undergarments". Five clubs are meeting this week. They are Enterprise, Lee, Basin, Mt. Pleasant and Rhodes.

4-H CLUB CALF SHOW

Our annual 4-H Club Beef Calf Show will be held April 21 at the Little League Ball Park in Enterprise. The show will begin at 7:00. This is the first year we have had the show at night and we are looking forward to more people having an opportunity to come and enjoy with us. There will be 30 calves shown by the 4-H'ers.

MONEY

Do you ever wonder where your money goes in the food store? About 30 cents of each dollar goes for canned and packaged groceries. 25 cents is claimed by the meat department; 10 cents is spent on dairy foods; another 10

cents goes for fresh fruits and vegetables and a nickel goes for frozen foods. That doesn't quite add up to a dollar. The 20 cents that's left over must be charged off to nonfood items—paper goods, health and beauty aids, soaps and cleaning supplies and other sundries that find their way into our grocery baskets.

Persons admitted to the Elba General Hospital during the period of April 11 thru April 17 were the following:

Emma McMillian, Thomas Davis, Ethel Jacobs, Estelle Foley, Roy McDowell, Author Jerome Blackman, Emma Louise Adkinson, Alene Odom, George Collier, Larry Herrington, Dorothy Sauls, Sara Nell McCall, Maggie Garrett, Foyle Brunson, Daniel Blackman, Walter Daughtery, Diane Stewart, Lisa Kendrick, Patricia Bess, Mable Daniels, Irene Clark, Terry Martin, Elva Daniels, Muriel Flowers, Columbus Russell, Aea Earl Hughes, Marion Weatherford, James Tate, Hayward Helms, Dr. Paul Helms.

Persons discharged during the same period of time were:

Emma McMillian, Thomas Davis, Roy McDowell, Author Jerome Blackman, Emma Louise Adkinson, Alene Odom, Larry Herrington, Sara Nell McCall (Expired), Foyle Brunson, Daniel Blackman, Lisa Kendrick, Muriel Flowers, Robert Davis, Howard Marshall, Dorothy Kelley, Judy Kelley, Ruby Haire, Earl Hughes, Ceilia Brown, Doris Nolin, Doris Graham, Lorene Belcher, Gertrude Jackson, Dock Littleton.

Alabama Is Offering Vet Dependents More

It is expected that a record number of Alabama's youth will enter colleges and trade schools this fall. Among those will be many children of certain disabled and deceased veterans who may be entitled to free tuition and instructional fees under what is commonly called the Alabama G. I. Bill. This act is not to be confused with any federal benefits which are administered by the U. S. Veterans Administration.

Walter C. Head, Jr., director of the Alabama Department of Veterans Affairs which administers the Alabama Law, said "Several changes to the act were made by the Alabama Legislature in 1966 which created new entitlement for those who may have been denied benefits previously." The act for many years has provided benefits for children of certain World War I, World War II and Korea disabled and deceased veterans, but an amendment to the law added children of certain veterans who have had extra hazardous service after December 31, 1955. Coffee County Veterans Service Officer, Maxwell Reeves, whose office is located in the Courthouse Annex in Elba urges all youths who believe they might be entitled to come to his office and discuss it with him. Reeves said, "The purpose of my office is to advise veterans and their dependents of benefits for which they are eligible and to help obtain them. Office hours are 8:00 A.M. to 5:00 P.M. Monday, Tuesday and Thursday.

Kinston Native Attends Aerospace Meeting

A Montgomery, Alabama, nurse was among key Air Force Reserve officers attending the recent 38th Annual Aerospace Medical Association meeting in Washington, D. C.

Major Mary L. Dobbins of 918 Hillman Avenue, Montgomery, also participated in the special symposium held annually to provide a closer understanding between reserve and active duty medical service personnel. The Washington meeting featured the latest developments in aerospace medicine.

Major Dobbins is presently assigned as chief nurse with an Air Force Reserve medical unit at Maxwell AFB, Alabama. The major is a member of the staff at the Veterans

The 15 Minutes you spend with us may be worth hundreds of dollars to you!

As most farmers know, the use of agricultural chemicals has changed drastically in the past few years. The recommended application rates have changed and so have methods of application. There are better ways and means of getting more for your fertilizer dollar and your investment in pesticides and herbicides. We can bring you up to date on the newest developments and help you map out a farm fertilization, weed and pest control program that will be worth real money to you! There is no cost or obligation, so why not drop by and see us.

POOR ORIGINAL

Where can you find miles of snow-white beaches, a great gulf with beautiful blue-green surf, some of the best fresh water fishing and deep sea angling in America, a lush golf course, and angelic 250-year-old fort all within 15 minutes of each other?

SOUTH BALDWIN COUNTY, ALABAMA! Sun-bathers have their choice on Baldwin beaches—Gulf Shores, with everything from motels to drugstores nearby; Gulf State Park, non-commercial but offering huge picnic pavilions and bath houses;

or vast stretches of undeveloped beaches for you to explore. Choose any of these exciting sites to soak in sand and surf and you will find them uncrowded, personal and relaxing. And families with something less than money to burn find their vacation funds

Don't let the Gulf of Mexico lure you away from the Gulf of Alabama! Anglers, too, can pick from a wide variety of offshore fishing spots ranging from cane-pole fishing on fresh water lake to wrestling with fighting tarpon on chartered boats.

Nearer the north fishermen can take to the water for bass, bream, and channel catfish. To just about any fishing more enjoyable, several motels are located beside rivers and streams.

Bays, coves and the Inter-Coastal Canal take the ravel out of travel back and forth from bays, rivers and the Gulf of Mexico. Many of these camps have also invite skiers, surfers and swimmers.

Mobile and Perdido Bays are popular sailboat waters. Steeped in tradition, Fort Mosego echoes with the tramp of Spanish explorers, French traders, English settlers, American pioneers and Alabama soldiers. The scenic drive

to the fort carries you by cartage and the Governor's Summer Home.

To get to this pleasure playland, take Interstate 65 to Bay Minette, follow U.S. 31 to Stapleton and turn south on Alabama 59.

Baldwin, the largest county east of the Mississippi, is big on beaches, cool gulf breezes, fishing, water recreation and family vacation fun.

Private Wise Completes Basic With Marines

Marine Private Albert R. Wise, son of Mr. Luther A. Wise of Route Five, Elba, Alabama, was graduated from eight weeks of recruit training at the Marine Corps Recruit Depot, Parris Island, South Carolina.

He will now undergo about three weeks of individual combat training and then, after leave at home, will report to his first Marine Corps assignment.

The intensified Marine recruit training emphasizes rigid physical conditioning and survival techniques, both on sea and ashore, to develop self-confidence and endurance.

Marksmanship With the M-14 rifle and 45-caliber pistol are equally stressed, and close order drill instills the traditions of Marine Corps teamwork.

A thorough study of basic military subjects, hygiene; first aid and sanitation; and the customs, courtesies, history and mission of the Marine Corps serve to polish the new Marine's recruit education and prepare him to join Marine combat forces.

Assigned To Viet Nam Unit

Army Private First Class Jimmy M. Whigham, 19, son of Mr. and Mrs. Vivian E. Whigham, Route 2, Kinston, Alabama, was assigned to the 573rd Engineering Company near Long Binh, Vietnam, March 14.

Whigham, a bridge specialist with the company, entered the Army in March, 1966. He attended Kinston High School.

Private Farris Fires "Expert" With M-14 Rifle

Army Private Ralph L. Farris, 20, son of Mr. and Mrs. L. Elton L. Farris, Route 3, Elba, Alabama, fired expert with the M-14 rifle March 22 near the completion of basic combat training at Fort Bragg, North Carolina.

The expert rating is the highest mark a soldier can achieve on his weapons qualification test.

His wife, Diane, lives at 120 Pledger Street, Enterprise, Alabama.

THE ELBA CLIPPER APRIL 20, 1967

By Tom Casaday, County Extension Chairman

CONTROL FIRE ANTS
Do you have fire ants on your property? Hundreds of fire ants are a nuisance. They cause a lot of pain to children who are stung and cause unsightly mounds of dirt. Fire ants can be controlled by using Mirex as a bait. On badly infested areas, we recommend the use of five pounds of Mirex per acre. On slight to medium infested areas, we recommend three to four pounds of Mirex per acre. Where there are just a few mounds, we recommend treating these separately. We have a fire ant committee which has been

set up to buy Mirex at greatly reduced prices. If you're interested in getting some, call us at Enterprise 347-6095 or Elba 897-0050.

PESTICIDE SAFETY
Last year about this time, a three-year-old little girl in Geneva County drank some farm chemicals by mistake. Someone had placed a little left-over herbicide or insecticide in a soft drink bottle. The little girl drank some of this material and the doctors were not able to save her. I am mentioning this to point out the importance of keeping insecticides and herbicides away from children. It might be best to just simply destroy any small left-overs that you have rather than attempt to store them where children can't reach them. What about checking your place to be sure you are not going to take a chance of killing some child?

ROSES AND LAWNS
Roses are in good growth. Applications of Phalan fungicide must be made the same day of the week every week. This will control both powdery mildew and black spot leaf diseases. Use 2 table-spoons of Phalan plus one tablespoon of detergent for each gallon of water.

Lawns that showed brown, dead areas last summer and fall due to brown patch or dollar spot diseases, should be sprayed 3 times at 21 day intervals with Tersan LM

BE PREPARED
Grass and weeds will be growing fully as fast or even faster than peanuts, cotton and corn. Hundreds of Coffee County farmers have recently used a lot of chemicals on their crops and are hoping that they will do a good job. If you didn't use chemicals for weed and grass control and need some information, be sure to get in touch with us. We have full information on chemical weed control on peanuts, cotton, corn, truck crops, pastures, lawns and gardens. I look for a lot of grass and weeds to come up in the next few weeks.

YOUR DOCTOR CAN PHONE US when you need a medicine. Pick up your prescription if shopping nearby, or we will deliver promptly without extra charge. As a customer, please entrust us with their prescriptions. May we compound and dispense yours?

We are now headquarters for Bell-Tone Hearing Aid Batteries.

PARKINSON'S DISEASE IS NOT HEREDITARY
About one out of every one hundred people is affected by Parkinsonism. Because the chief cause is believed to be a decrease in the blood supply to the brain, a result of hardening of the arteries, their numbers will increase as people learn how to live longer.

Early symptoms are a tremor of one hand. Hand and foot movements slow up. Writing is more difficult. The mind is not affected. We have several different relaxant drugs which require a prescription. Early diagnosis and treatment is more effective in preventing more serious symptoms. But a physician must be consulted soon and regularly.

NEW HOPE 4-H BOYS STUDY PESTICIDES
The regular meeting of the New Hope Elementary Boys' 4-H Club was held April 12th at 9 A.M. in the club room of the school. Mr. Dan Presley gave an interesting lesson on "The Use of Pesticides". Steve Williams is reporter for the group.

THIS TYPE BOAR WILL PAY FOR HIMSELF IN ONE YEAR WITH IMPROVED AND LARGER LITTERS.

at the rate of 6 ounces per 1,000 square feet using at least 10 gallons of water. Add 4 to 6 ounces of detergent to each 10 gallons of water.

HANDBOOK
Some of my friends have referred to the Handbook of Alabama Agriculture as a condensed "course of Alabama agriculture". The handbook which sells for \$1.00 is an excellent buy for farmers and also people who live in town. It was written by various Extension specialists in Auburn and contains 400 pages. We will be glad to mail you one or save you one if you will get in touch with us.

FAMILY AFFAIR
Would you and your family like to spend a couple of hours out in the country? If you think you would, you are invited to come to the 30th Annual Coffee County 4-H Club Beef Calf Show Friday night, April 21, at the Little League Field in Enterprise. This is located right back of the Recreation Center. The show gets underway at 7 o'clock and will be real interesting to watch the boys and girls show their calves and compete for several hundred dollars in prize money.

L. E. Pradley and Virginia Sanders tell me that 17 boys and girls will show their calves and compete for several hundred dollars in prize money. The show gets underway at 7 o'clock and will be real interesting to watch the boys and girls show their calves and compete for several hundred dollars in prize money.

According to Ledbetter, many of the more common insecticides—DPT, chlordane, dieldrin and lindane—are no longer effective against certain kinds of roaches. Some roaches, especially the German cockroach—commonly known as the waterbug—have developed a resistance to these chemicals.

Ledbetter recommends Diazinon, DDVP, Korian and malathion for the best control, when applied at the following rates:

-- Diazinon, five table-spoons of 25 per cent emulsifiable per gallon of water.

-- DDVP, six table-spoons of two pounds per gallon emulsifiable per gallon of water.

Korian, six table-spoons of 24 per cent emulsifiable per gallon of water.

Malathion, three table-spoons of 75 per cent premium grade emulsifiable concentrate per gallon of water.

The Extension Service entomologist adds that a band treatment of five per

VOLUME 69

ELBA, ALABAMA, THURSDAY, APRIL 27, 1967

NUMBER 40

SENIOR PLAY — The Elba High Senior Play will be presented tonight (Thursday) and tomorrow night at the Elba High School. Curtain time is 7:30 Thursday and 8:00 Friday. The name of the play is "Annie and Old Lace".

Class members in the play are: Marsha Lowery, Eddie Brundshaw, Cris Wise, Al English, Eddie Bryan, Kay Johnson, Angela Pope, Mike Williams, Ray Trammell, Ricky Parker, Ronnie Nunn, Robert Bowden, John Lowless and Tony Fuller.

Directing the play are Mr. Canford Hattaway and Mrs. Helen McCollough.

4-H Beef Calf Show Won By Freddie Sessions

Freddie Sessions, a 4-H prize Friday night, Bill Club member from Route 3, Helms of the Mt. Pleasant Elba, showed the Grand 4-H Club showed the Re-Champion calf at the annual serve Champion, Freddie Sessions County 4-H Beef is the son of Mr. and Mrs. Calf Show held in Enter-Horace Sessions and Bill

is the son of Mr. and Mrs. Ben Helms. Seventeen 4-H Club boys and girls entered twenty-one calves in the show which was sponsored by the Enterprise Chamber of Commerce.

FREDDY SESSIONS, Elba 4-H Club member, right, receives the Grand Champion Rosette and Banner from the Enterprise Chamber of Commerce Manager O. L. Cunningham, left. The show was held Friday night at the Little League Field in Enterprise and was sponsored by the Enterprise Chamber of Commerce.

Cancer Drive Workers To Visit Homes

Sunday, April 30th, is "C-Day" in Coffee County.

A local task force of some 100 men and women will be part of a nationwide army of more than 2,000,000 volunteers conducting the American Cancer Society's annual April Crusade. Volunteers will call on homes in the Elba area Sunday afternoon.

"C-Day" stands for Conquer Cancer," said Joe Grice, chairman of the Coffee County Cancer Crusade.

The crusade emphasizes this year is upon cancer's seven warning signals which will be included on a home medicine cabinet sticker to be distributed by these crusaders.

Volunteers of the American Cancer Society will call on friends and neighbors with the double-barreled objective of saving lives now as well as in the future.

James Danton, Extension Animal Husbandman of Auburn University, judged the show, Bob Ellis and O. L. Cunningham, president and manager, respectively, of the Enterprise Chamber of Commerce, thanked the businessmen of Coffee County for making the show possible. J. C. Bullington, District Extension Chairman of Auburn University, also thanked the parents and sponsors and leaders for providing the leadership and financial support for the 4-H Club program.

City Councilman Donnie Morrow asked Tuesday that all automobile owners be reminded that it is impossible for the City's new street sweeper to do an adequate job if automobiles are continually left on the streets.

Morrow said that the Mayor and City Council are striving to clean up the Elba streets but need the co-operation of car owners so that the machine will have access to the streets.

WINNERS in the Native Class at the Coffee County 4-H Club Beef Calf Show were Al Davis, first place, right, Davey Sessions, second place, center, and Jerry Lamb, third place, left.

Local Youths To Speak At Church Service

According to Raymond Elliott, local minister of the Church of Christ, the young men of the congregation will take the lead in the evening worship this Sunday, April 30th. Those participating in the various aspects of the service will be Mike McGuire, song leader; Houston Dodson and Terry Blair, prayer leaders; Harry Young and Tim Fuller, presiding and assisting at the Lord's Table, and Charles Gunter, who will deliver the evening message.

Mr. Gunter's topic for discussion at that time will be entitled "Heaven". This will be a practice of the local congregation on each fifth Sunday of the year. Such practical experience for these young men and others of the congregation will enable them to become more effective leaders in the church services in the years ahead. The public is cordially invited to attend all the services of the Church of Christ. The evening worship hour begins at 7:00 P.M.

PLANNING GIRL SCOUT CAMP DEDICATION — This group of men and women from Alabama and Tennessee met in the Board room of the Elba Exchange Bank on Monday to plan the dedication of the newly acquired Girl Scout Camp near Elba. Plans include an appearance by Governor Lurleen Wallace.

Serving on the planning committee are, from left: Mrs. Kello Carroll, Ozark; Miss Polly Fossey, Memphis, (representing the National Girl Scout Service); Mrs. James Walsh, Dothan; (Girl Scout Advisor); Mrs. Buddy Williams, Ozark; Mrs. Alton Turner, Lurleen, (President of the Girl Scout Council); Mrs. James Carroll, Ozark, (Chairman of Dedication Committee); Mrs. Ellen Autrey, Montgomery, (Executive Director of the Girl Scout Council); Mrs. Mary Kelley, Mary Collier, (Scott Paper Company); Bill Faulk, Elba, (Soil Conservation Department); Chad Martin and Wayne Holmes, Andalusia, (Covington Electric Coop).

Not pictured was Mrs. J. W. Henderson, Enterprise.

Tom Vaughan Buried Here

Tom B. Vaughan, age 49, a resident of Birmingham, died Friday. Funeral services were held at 3 P.M. Saturday from the Elba Exchange Bank on Monday to plan the dedication of the newly acquired Girl Scout Camp near Elba.

Survivors include his widow, Mrs. Lois T. Vaughan, Birmingham; two sons, Tom B. Vaughan, Jr., Birmingham, and John W. Vaughan, Elba; two brothers, Charles F. Vaughan, Birmingham, and James A. Vaughan, Auburn, Ala.; one sister, Mrs. Jerry Kelley, Mary Collier, Jerry Henderson, Ronnie Parrish, Jack Smith, Danford.

Elba High Honor Roll

Elba Clocks To Turn Forward 1 Hour

Daylight Saving Time will become effective over most of the nation during the night Sunday, and the people of Elba will go to work Monday morning earlier than usual to help save our daylight (?)

Officials at Dorsey Trainers state that their plant will go on this clock-adjusting at 2 A.M. Monday morning. This means everyone will wind their clocks up one hour but still open their business, punch the clock or arrive at school at the same hour, according to the ADJUSTED CLOCK.

It is expected that all Elba merchants will take part in this change and after the first few days, most people will become adjusted to it. Then, when the change back time in the fall arrives, they will feel that they are having an extra hour of sleep in the morning.

METHODISTS TO HOLD WORKSHOP

A Leadership Workshop for Methodist Church leaders will be held at the Opp First Methodist Church on Tuesday, May 2nd. Dr. J. Carlisle Miller and Reverend Walter Albritton will lead the Workshop. Rev. American Cancer Society arend Welton Gregory, and mail to P. O. Box 488, Elba, Alabama 36523. Lusia District, will preside.

Pre-School Clinic Is Planned Wednesday

The Elba P. T. A. will sponsor a Pre-School Clinic at the new Elementary School on Wednesday, May 3rd, for all children until they are six years old.

Parents are reminded to bring the child's birth certificate and a record of his inoculations. It will be impossible to register a child who does not have this information.

Mrs. Carolyn Stokes is chairman of the P. T. A. Pre-School Clinic.

Mrs. Garrett In Hospital After Surgery

Mrs. John M. Garrett, Sr., is recovering nicely in the Elba General Hospital following recent surgery.

The information reaching the Elba office is that this 91 year old native of Elba underwent an appendix operation.

Many people, upon hearing of Mrs. Garrett's operation, have shown seemingly surprise that her Trojan will and determination would allow her to have trouble with her appendix, but none were surprised at this highly respected 194 Woman of Achievement weathering the storm with flying colors.

BIG FISH — C. E. (Pete) Dorsey III, right, caught this gigantic Wassan Grouper, weighing 241 pounds, in the Gulf recently. He was fishing out of Panama City at the time. The fish weighed 73 pounds; the other fish are Amber Jacks. All the fish were caught in about four hours.

Jimmy Peacock, next to Pete, and James Ross Pool, second from left, and several men from Panama City made up the fishing party.
